TODAY'S AMUSEMENTS

"BY WHOSE HAND."

The big feature at the Albumbra today is "By Whose timed," originally
milled "Who Killed Simop Baird," and
has for the principal parts the three
big stars, Edna Wallace Hopper, a very
noted stage favorite, Chas. J. Ross,
well known on Broadway and now
playing in The New Hearietts," and
the dainty screen favorite, Muriel Ontricke. By Whose Hand" tells the
story of Simon Baird, who early in life
had wronged a woman, had stolen a
man's forture and had caused another
man to be lashed with a built whip;
twenty years later he was thrown with
these same people and was found murdered in the house occupied by thom.
Each one was genued of the crime and
each one of them confessed. As all of
them sould not have committed the act,
wone of them were convicted. Come
and see if you can determine who is
really the guilty one.—My.

FOR INDIGENT TUBERCULARS Washington, D. C., May II.—Interstate control of the tuberculous problem was one of the principal subjects for discussion before the national association for the study and prevention of tuberculous, which opened a two days' session here today. Speakers arged that the festeral government provide payment of specified amounts to communities and cities caring for non-resident indigent consumptives.

It was explained that many weather states are burdened by supporting patients who live elsewhere, come to their states for treatment and become dependent.

FOR THIN MEN AND WOMEN WHO WANT TO GET FAT AND BE STRONG

Why Fleshmaking and Daes Not Always Produce Flesh on Thin Peaple: How Weight Has Often Been Increased.

Thin men and women—that big. hearty, filling dinner you are yesterday. What became of all the fat-producing nourishment it contained? Possibly you haven't ained in weight cone other. That food probably asset from your body like unburned continued in your body like unburned continued in through an open grate. The materials for flesh, fat and strength were there, but your food doesn't work and stick and the plain truth may be, you hardly get enough nourishment from your ments to pay for the cost of cooking. This is true of many thin folks the world over. Their nutritive organs, their functions of assimilation, are grobably sadly out of good, firm, healthy, flesh, fat and muscular tissue to their weight the following text is suggested.

First weight yourself. Then continue regular meals no hefore, but eat with every one of them a single Sargoi table. It is we weeks weigh again and note the difference.

Francis X. Bushman And the Brilliant Beverly Bayne

"The Wall Between" By JOHN W. NOBLE, in Five Acts.

An exquisite romance of army life in five wonderful acts, brimming with thrills, pathos and supreme human interest, adapted for the screen from the novel by Ralph D. Paine. Besides Mr. Bushman and Miss Bayne, the cast includes Edward Brennan, Charles Prince, John Davidson, Helen Dunbar, Robert Cummings, Sidney Cushing, Thomas Brocks and Alice Gordon.

Shows start at 10:45 a. m., 12, 1:15, 2:30, 3:45, 5, 6:15, 7:30, 8:45, 10 p. m.

This production is by far the most pretentious feature in which these stars have appeared in their long career on the screen. It is a military masterpiece and affords an excellent opportunity for the staging of scores of thrilling scenes. "The Wall Between" was produced under the personal direction of John W. Noble, of the Metro staff, who is a graduate of West Point and saw seven years' active service as an officer in the United States Army. A typical Metro cast will be seen in this feature and more than two thousand persons appear in the production.

"The Ne'er Do Well" Will be exhibited today for the last time.
